

BUCATI

Bucati is a strong linen for upholstery on single width with a nice structure, works both for heavy draperies as well as for upholstery, pillows and headboards.

Bucati is washed to give it a unique look, with wrinkles and marks. It will stretch and/or contract depending on humidity, dryness and temperature. Colour may vary due to the natural character of the linen fiber.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
