

VARENNA

Varenna is a hemp/linen fabric on double-width. The fabric is given a finishing wash we call "Mano della Nonna" (with grandmother's hand). The wash gives a smooth soft feeling, a beautiful drape and an evenly wrinkled texture. The artisanal washing causes the selvages to wrinkle more than usual.

Varenna, Molina and Fasano are part of the Mano della Nonna collection.

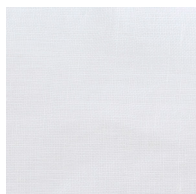

This article may stretch and/or contract depending on humidity, dryness and the natural character of the linen fiber.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
